

 Opportunity for Independent Sellers on HuniVerse
(Free access and free services to sell online!)

Do you use WhatsApp Status to sell your products or services?

Would you like to sell online and reach more customers? This opportunity is for you! 

Many sellers use their **WhatsApp Status** to showcase and sell their clothes, shoes, food products, cosmetics, electronic devices, services, and many other products—and this is a great way to reach customers.

But why limit your visibility to your WhatsApp contacts only?

With **HuniVerse**, you can create your own **Seller Space** and showcase your catalog to a wider audience **for free**, while continuing to use your WhatsApp Status to attract customers.

 Grow Your Sales with HuniVerse

Through the **Marketplace** module, you can:

-  Create your own **Seller Space** on HuniVerse;
-  Publish your different products and services;
-  Bring several products together in one place;
-  Allow your customers to easily browse your catalog;
-  Share your products on WhatsApp and use your Status to attract customers;
-  Give your customers a **permanent and organized space** where they can discover your products;
-  Increase your visibility and reach a wider audience.

 AND IT'S FREE!

HuniVerse offers a free Marketplace space to independent sellers who wish to join the platform.

You **do not need to pay** to start showcasing your products on the platform.

In addition, **HuniVerse provides free support** to help you:

- Understand how to use the platform;
- Create and manage your Seller Space;
- Publish your products and services;
- Learn how to manage your online business presence.

Even if you have no technical skills, we can guide you so that you can learn how to put your own products online.

👉 **Don't have time to publish your products?**

No problem!

HuniVerse also offers support services for individuals, entrepreneurs, and businesses that want to develop their online commercial presence but do not have enough time or technical skills to manage their own space.

We can assist you with **putting your products and/or services online** and support you in managing your commercial presence on the platform.
